

Data Visualization

There are some tables and images that have already been implemented in my paper submission.

Those tables included the schema for the datasets that are a part of my research.

Tables:

1. Schema for aviation jobs [incorporated]
2. Schema for aviation injuries [incorporated]
3. Schema for aviation flights [incorporated]
4. Schema for driving accidents [pending]
5. Schema for self driving car's accidents [pending]

Plots:

1. Time series plot for aviation jobs [incorporated]
2. Time series plot for aviation injuries [incorporated]
3. Time series plot for aviation flights [incorporated]
4. Time series for driving accidents [pending]
5. Time series plot for self driving cars [pending]
